Website Development

In addition to the tabs for Luncheon Meetings, Membership, History, and Resources, our Website master, W. Todd Wipke, has created enhancements for our website: Emeriti can (1) now register a project and see projects of other Emeriti; (2) record Emeriti Awards received in the past three years; and (3) use tools to enable Emeriti to make suggestions, describe projects, join a speakers list, volunteer to help the Association, or recommend local services. We invite an exploration of our site: <http://emeriti.ucsc.edu/index.html>
