

SANTA CRUZ DIVISION OF THE ACADEMIC SENATE

COMMITTEE ON EMERITI RELATIONS

ANNUAL REPORT 1990-91

To the Santa Cruz Division:

The business of the Senate Committee on Emeriti Relations, very informal, was conducted as before through the UCSC Emeriti/ae Group, which has been meeting about twice a term for lunch. In October, the campus served as host for the Fall meeting of the Council of University of California Emeriti Associations (CUCEA). At our lunch meetings we heard from Dean Eugene Garcia, Professor Joseph Bunnett as chair of the Senate Faculty Welfare Committee, Professor Kenneth Norris, and Professor Glenn Willson.

The chair and his alternate, David Heron, represented the UCSC Emeriti in the statewide Council of University of California Emeriti Association (CUCEA). In 1991-92, the new chair, Donald Clark, and Heron will continue in that role. Some of the older and larger emeriti organizations, and officers of CUCEA, have continued to be active in representing the interests of emeriti in retirement issues, and in the utilization of interested emeriti in matters of campus concern. The University Faculty Welfare Committee has maintained good liaison with CUCEA, so the interests of emeriti have been served well.

With the substantial new cohort of UCSC emeriti/ae resulting from the Golden Handshake, our small informal fellowship will surely undergo some changes.

Respectfully submitted,

COMMITTEE ON EMERITI RELATIONS
Joseph Bunnett (ex officio)
Donald Clark
M. Brewster Smith, Chair
