

Michael Nauenberg History of Science Lecture

Michael in December, 1999, [proposed](#) to UCSC to create a History of Science and Technology lecture series, but it didn't get funded. It is something he strongly felt UCSC should have. The UCSC Emeriti Association worked with Michael's family to establish the History of Science Lecture series that he always wanted.

The link below allows online donation to the fund for this distinguished lecture series.

[Donate Online](#)

You can also donate by mail [here](#).

If you have questions, please contact EA-Treasurer@googlegroups.com or EA-President@googlegroups.com.

Thank you for your contribution to the Michael Nauenberg History of Science Lecture series.

Todd Wipke
Past President, UCSC Emeriti Association
